

DIPLOMA IN READY-MADE GARMENTS AND TEXTILE VARIETY BASED MSME AND ALLIED ENTREPRENEURSHIP

Subject Code: DSP-406

Scope of the Course:

Textile sector plays an important role in contributing to the Indian economy by sharing 5% of trade in global market. India's export in the textiles sector is labor intensive and has two broad segments. First one is the unorganized sector consisting of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools. The second one is the organized sector, which consists of spinning apparel and garments, and applies modern machinery and techniques, resulting in large economies of scale.
