

DIPLOMA IN SPORTS GOODS, ACCESSORIES, SPORTSWEAR AND FITNESS EQUIPMENT ENTREPRENEURSHIP

Subject Code - DSP-407

Scope and Opportunity of The Course:

This is a self-employment program by the Government of India, through this you can become a good entrepreneur by starting a small to big business on your own or with the help of various schemes of the government and will also be able to give employment to many people. In this course, along with self-employment, you have to reduce dependence on new technology, production of new products and foreign products and to provide opportunities for employment in your own field and to progress in your area as well. With the incorporation of old and new technology, India has to be leading and self-reliant in the world from business and economic point of view.

In today's modern times, children are spending more and more time on mobile and video games, due to which their health is having a bad effect, it was to connect those children with new and old games, for their good health, towards their sports. It is very important to bring trends so that in today's time they remain mentally and physically healthy. Dr. Swanit had said "A healthy mind resides only in a healthy body." Exercises and sports were given great importance in the culture of India, For this purpose, the Government of India and the State Government are also promoting Indigenous sports so that a healthy India can be built in the coming times.
