

DIPLOMA IN TRIBAL ENTREPRENEURSHIP AND SELF-RELIANCE

Subject Code: DSP-421

Scope of the Course:

The goods manufactured by Tribal people living in villages are in high demand at the world level, whose cost price is very high, but they do not get proper price in the local market, so to promote the income level of the village and its residents and Tribal people. The promotion of Indian folk art, costumes, Tribal musical instruments and things made by Tribal people, which is not known, due to which they are becoming extinct now, the purpose of which is to provide protection.

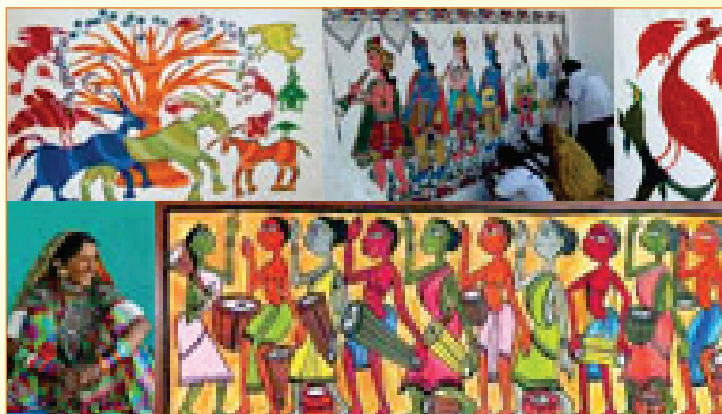

Therefore, the purpose of this course by the Government of India and the State Government is to promote those arts and to educate them at the world level and to make them entrepreneurial and to expand these arts. For example, the items made by Bastar Art in Chhattisgarh (items made from Bamboo) are in good demand all over the world, Sanjhi Art of Uttar Pradesh, Miniature Art, Aipan Art etc.,

This is a self-employment program by the Government of India, through this you can become a good entrepreneur by starting a small to big business on your own or with the help of various schemes of the government and will also be able to give employment to many people, In this course, along with self-employment, you have to reduce dependence on new technology, production of new products and foreign products and to provide opportunities for employment in your own field and to progress in your area as well. With the incorporation of old and new technology, India has to be leading and self-reliant in the world from business and economic point of view.
